

## *Guam Product Seal Program (GPS)*

Created by Public Law 18- 42, the Guam Product Seal (GPS) Program serves to stimulate economic opportunities on Guam by promoting the manufacturing of local products. With the unique Guam Product Seal, consumers can identify products that are “Made on Guam”. Guam Product Seal Holders join a distinguished group of local businesses that share a common goal of showcasing locally made products to both visitors of our island and residents alike. Public Law 31-150 and 31-136 revised the GPS Program to provide incentives for permit holders and to ensure compliance and enforcement.

### **ELIGIBILITY REQUIREMENTS:**

1. The Guam Product Seal may be used only for products manufactured on Guam.
2. This product must result from a substantial transformation of the materials used in the creation of the product, for which a minimum of fifty percent (50%) of the value of the product has been added on Guam.
3. Individuals must be U. S. Citizens or permanent resident aliens who are residents of Guam.
4. Applicants must be a registered business and have a valid Guam business license or the ability to obtain one.

### **TERMS:**

- Guam Product Seal Certificates are valid for one year. GPS Holders may renew prior to expiration date.

### **FEES AND CHARGES:**

- There is a nonrefundable application fee of \$25.00, made payable to the Guam Economic Development Authority.
